“Why My Vote Counts”

Allow me to introduce you to Sally. She is a very patriotic person; in fact, her grandfather and her brother served in the military. Her favorite holiday is the Fourth of July, and she always puts her flag out for national holidays. However, when it comes to voting it's not that simple. Of course, she knows she should vote. But when she looks at the polls she gets discouraged. Her state always votes Democrat, so she believes that her one Republican vote won't make a difference. In the middle of all of the chaos of the political world, she has convinced herself that her small voice will not be heard. “So what's the point of going to vote anyway?” she thinks to herself. How many other Americans like Sally take their right to vote for granted or have convinced themselves that their vote doesn't matter? There are about two hundred and forty million eligible voters in the United States, yet only around one hundred million of them exercised their power in the last general election. Although I am not old enough to vote yet, I have made up my mind to be a dedicated voter once I turn eighteen for three main reasons: voting is my way to directly participate in the government, my choice to vote can positively influence those around me, and my right to vote, especially as a woman, was won in a hard-fought battle.

First, I believe my vote counts because it is the primary way that I can directly participate in the government. One of the founding principles of American democracy is popular sovereignty, which means that the government receives its power from the people. If I choose not to vote, I really have no right to be discontent with the outcome or the actions of the government because I did not do my part to make my personal opinions heard, but instead chose to be silent and watch as other people made decisions for me. Choosing not to vote is depriving ourselves of a personal right. Franklin D. Roosevelt, our thirty-second president, stated, “Nobody will ever deprive the American people of the right to vote except the American people themselves and the only way they could do this is by not voting.” Yet more than half of Americans do just that. Second, I will choose to vote because my decision can have a domino effect on those around me. If I don't believe that my single vote is important, my opinion may influence others around me. If I chose not to vote, then my apathy may multiply to those around me so that it is no longer just a single vote being lost. In close elections, especially local elections, this could radically change the outcome. On the other hand, my choice to vote can encourage others to do the same. People are more likely

to take a political stand if there are people around them that are doing the same. We should encourage others to take a political stand, even when it is different than ours because differences are part of what makes a democracy thrive.

Finally, as a woman, I believe that I must take my right to vote very seriously because it was hard-won by countless brave women. If I need any reason to convince myself that my vote counts, I look at the examples of women like Susan B. Anthony, Elizabeth Cady Stanton, and Lucy Stone. In their quest for suffrage, they endured mockery, mob attacks, and being arrested, yet they refused to give up, eventually earning women the right to vote. My choice to exercise the right to vote is a way of paying my respect to them as well as to the women who came before them who desperately wanted to have a voice in the government but never got the chance. For them, voting was not even an option.

In conclusion, I believe that voting is every citizen's duty to themselves, to those around them, and to those that have come before them. Even though the numbers are often overwhelming, one vote really can make a difference. It can make a difference in the life of the one voting, giving them a voice to express their unique opinion. It can make a difference in the lives of those around them, giving them the courage to also stand up for what they believe in. It can make a difference in our country, even in the example we set to the younger generation of how important voting is. I will choose to vote to honor those that have gone before me, especially the women suffragists, and to honor those in the military who have fought to protect my rights, including the right to vote. Ultimately, I believe that even though there are a million different voices out there, one small, brave voice, like Sally's or like mine, can still be heard and make a difference.

Chapel Escort and Coffee Hour Schedule

We have sad news: we will be canceling the Chapel Escort program at the Denver VA Hospital.

Over the past few months, many of the VFW Post and Auxiliaries have talked with us about the program. Several do not want to participate in the program if we do not have patients at the services.

When the new hospital opened, many procedures changed, one that affected the chapel program is the patients must have authorization and a nurse with them when they leave the floor. We cannot escort anyone to chapel, most Sundays we have only one person and sometimes not any patients are attending.

Chaplain Skaggs, Director for the chapel program, has been trying to work with the hospital to get more people to attend each Sunday, but to date we have very low attendance. The VA is to start the Video Chapel services in January so each patient can view services in their room.

In reviewing the Chapel program the VFW & Auxiliaries will not be providing refreshments any longer.

The VA Chapel will still have services each Sunday, and all are welcome to attend.

Thank You to the VFW & Auxiliaries that supported the Chapel program in the past few months.

Colorado VFW Foundation

Thank you to the VFW Posts, VFW Auxiliaries, family members and friends for your donations. We have received donations and grants from outside sources, and we are greatly appreciative of their support and dedication to helping Colorado’s Veterans and their Families.

Assistance to date: July 1, 2018 through January 8, 2019, we have expended \$51,915.14 in assistance to 83 Veterans and their Families with Rent, Utilities, and Vehicle Repairs etc..... As many of you know the cost of living has sky rocketed and affordable housing is not keeping pace with the fixed incomes most of our Veterans and their families are living on. As of today we have had to begin to turn veterans away as the funds are not available to keep up with the demands. Unfortunately we have not reached the peak of our winter months. We will continue to process applications and help where we can.

Any eligible Veteran in need of emergency assistance across the State of Colorado can apply for a one time Grant of \$500. We receive referrals from VA Social workers, Veterans Service Officers, and other non-profit organizations. In the event the need is greater than the assistance that can be provided, the veteran will be referred to outside resources for additional assistance.

The Grant Application is available on the Department Website to download; follow the requirements and submit the application to our office.

We are asking you our members and your family and friends to donate to the Colorado VFW Foundation. Make your checks payable to Colorado VFW Foundation and mail to 1400 Carr Street, Lakewood, CO 80214.

So, a young Veteran in your Post wants to try something new and fresh, what do you typically do? Some Posts will push back and tell the Veteran, no,

that's not going to work, no one wants to do it.

May I suggest that you let the idea flow and develop into a plan. Help build up the goals and objectives to create a project which helps veterans and their families. What about a project that helps your community?

What to do?

I know you want to stay known as a vibrant and thriving Post and not one who lets the world spin by. Let's consider you may need to have some new and good ideas with some support to stay successful. You are a team, that is, it's not one person, but many. Build some momentum by supporting another person's project even though you do not like it upon first impression? You can also create some collaboration amongst other Posts or even other organizations and gain by the work of many, not just one or a few.

As the most elite Veteran Service Organization on the planet, I suggest you take a look at the changing traditional and cultural evolution. Moreover, nothing ever stays the same, no matter how many feet are dragging to stop it. We are more diverse, have young veterans

who have deployed many many times. The cultural of veterans is ever changing and it is change which makes us stronger. Now we are deeply involved with Student Veterans of America on a national level, and here in Colorado we have been collaborating with the Team Red White and Blue, Team Rubicon, Fisher House, and the Wounded Warrior Project.

With our collective energy and power by collaborating with other veterans organizations we possess influence within our communities, at the state capitol, and in D.C. where veterans are supported. The mantra of the *cost of war extends many years beyond the cease fire* is true as ever. Will we allow our influence to wain or will we take care of veterans, military, and their families? Why not thrive in your community and engage with other organizations, the community leadership, state and federal legislatures. Pick up the reins and take control, you still joined the VFW for the same reasons that young veterans are joining today. But just like you, the shifting culture and your response to it determines whether you will be a vibrant and thriving Post that succeeds in taking care of veterans or one who lets our membership and influence evaporate.

Greetings,

I hope this finds everyone warm and well.
AUDITS, AUDITS,
AUDITS!!!!!!!

I'm findings a few things starting to creep into more and more

Quarterly Audits.

Sections 219 of the By-Laws states "A relief fund WILL be established and maintained by the Posts." There is no set dollar amount. The By-Laws state only that there WILL be a relief fund. This has not changed in many, many years. Yet, so far this quarter there were close to 10 Posts with no relief fund. The funds in this account come from distribution of Buddy Poppies, "...and other such monies as may be solicited or donated for veterans relief purposes." Section 219 of the Manual of Procedure explains what the Relief Fund can be used for, and believe me, it's very broad. If you have any questions, please call Department

and we will be glad to help.

On the National web site there is a ton of training material for different officers. If you log in to the web site, go to My-VFW. To the right is a tab labeled VFW Training. Go to this tab and you will find another tab labeled Member and Officer Training. If you go there, there is a fairly large selection of training material. Scroll through and pick out what you want to know about.

Just a couple of reminders about Audits in general. The amounts you have in column 13 (Net Cash Balances attend of Quarter) is what you start with on your next Quarterly Audit. (Column 10). Also, you total in Column 13, Row 14, should match the total Cash and Investments in box 17 (Reconciliation of Cash and Investments).

Everyone be safe and remember, only 48 days until the first day of Spring.

Department Quartermaster

Sr. Vice Column David Stone

Greetings comrades,

Tragedy swept by me the other day, soft like a gentle breeze, but sharply cold. I learned through social media that a fellow

State Sr Vice Commander was traveling to Wyoming to be with the family of a battle buddy, a young marine veteran who had taken his own life between Christmas and New Year's leaving behind a grieving wife and parents.

The tragedy touched me deeply. I did not know this marine, I barely know the Sr Vice, but his squad, this group of veterans, would gather again in the chill of a Wyoming winter to pay final tribute to a comrade who could not survive coming home and take care of the family.

As most of us know, the Veterans for Foreign Wars traces its roots to groups of veterans of the Spanish-American War and the Philippine Insurrection who formed local organizations to take care of their own by assisting in securing medical care and other benefits. For nearly 120 years this activism and service and that of our Auxiliary has accomplished so much for those that are placed in harm's way. But is it enough? Have we done everything that we can do?

As fellow veterans we must be willing to take time out of our busy life and do more than just talk about caring. We have a responsibility to look out for our fellow veterans. Sometimes through the simplest of things, the friendly phone call, visit, or even a "been thinking about you" card. And sometimes by raising your voice for what is right.

As a Veterans Service Organization, we must do everything possible to ensure that our veteran's needs, their health and welfare, are addressed. And when those needs go unmet we must raise our voice, our 1.6 million strong voice, and shout "enough already!"

So, you see, it really is about membership after all. Because it is through membership that we can gather the resources to help the veterans in our communities and it is through membership that we are heard when we raise our voices. We must work hard at membership. We must make our voice louder and we must be heard. It's the least that we can do for today's veterans.

Tragedy swept by me the other day, soft like a gentle breeze, but sharply cold. All I could do was cry.

See you on the trail.
David Stone
Department Sr. Vice Commander

Jr. Vice Column Robert Kidd Sr.

The Holidays are over and hopefully everyone that went on trips has arrived back home safely and are ready to dig in for the second part of the Veterans of Foreign Wars year.

There are still a lot of things that need to be done. So with the new year and only having six months left, lets hit the ground running and remember what we are here for, Helping Veterans. I hope to see many of you at the Council of Administration in Greeley in March. Let's finish this year in a great fashion.

As the Voice of Democracy, Patriots Pen, and Teacher of the year programs come to a close, Thanks to all the Members and Auxiliary that help to make the

above programs a great success. Thanks go out to Post 2121 for hosting the Department awards banquet for this year.

As I travel around the State, I have found that there are a number of Commanders, Quartermasters and yes, members as well, that are still having problems finding items on the National web site. Perhaps we could start a training class at a C of A. There is so much information on that web site and everyone needs to be able to access it. I would like to see 1 or 2 people per district to attend training in order to assist their members. Please let me know if you're interested.

Yours in Comradeship

One of the great strengths of the Veterans of Foreign Wars of the United States is that it represents the best of America. We stand for the ideals of selfless dedication to the protection of our country, no matter what the sacrifice, and take care of our fellow veterans, both on active duty in the combat zone and once we get home. Our members have served around the world, wherever we were needed.

We honor those who did not come home by continuing to serve as members of this great organization, providing effective veteran support and advocacy. Our membership, as well as that of our Auxiliary and those who share our values in the community come from every walk of life, creed, nationality, gender, orientation, age and frequently work despite physical and mental disabilities.

To make sure that all of us can count on these ideals, the Department of Colorado we passed a new policy against sexual harassment and other unlawful harassment. District Commanders will ensure their Posts have this new information. This policy spells out the procedures to address any incidents that might occur that compromise our ideals of equal treatment and respect for all members of the Department. In this way, we reaffirm how important it is that we stand together and take care of one another with proper respect at all times.

If there are any questions on our policy, please don't hesitate to contact me.

Chaplain's Column Kevin Reinhold

Comrades and Sisters,
We pray everyone had a Merry Christmas and Happy New Year. We want to thank everyone who stepped out of your home to celebrate with the less fortunate, people

that had to work, family members of the deployed soldiers and our deployed soldiers over this holiday season. This is the time of giving and even though we celebrate Jesus birth this time of year let's not forget that He gave us the greatest gift of all, He died on the cross at Calvary to take on the worlds sins, so we can have the opportunity to enjoy a new life in Him.

The Bible Ministry that was started this year went very well and with the Lords help it will continue. If any Chaplain, VFW or Auxiliary member still needs information on how to start your Bible Ministry, contact me through email. I will help you get started. I want to thank all the Chaplains, VFW and Auxiliary who participate in this Ministry. We are still working on getting the VFW logo on the Bibles.

THE WORK OF THE CHAPLAIN: Each Post has a Chaplain, but how many Post Chaplains know what they are supposed to do? Most of the works of the Chaplain takes place out-

side of the Post, and if done well, goes unnoticed by virtually everyone in the Post.

First, the Chaplain nurtures the living. We do this by spending time with our fellow comrades, and when the need arises, we help them with life situations.

Second, the Chaplain cares for the dying. Whether in the hospital or at home, the Chaplain is there to offer supportive care to dying comrades and their families.

Third, the Chaplain honors the dead. Working closely with the immediate family, the Chaplain ensures there is a proper burial and memorial service for the deceased.

WHAT DOES THE CHAPLAIN PROVIDE?

Spiritual Guidance, Assistance in Emergency Situations, Conducting and Assisting at Funerals, Counseling, Visitation, and Attending Functions.

Continue to watch over each other and our communities through the coming year. Pray for each other in our times of need.

If you have any questions or need help let me know.

Surgeon's Column Barbara Green

In September I had the privilege of hearing Richard Casper, the founder of "CreatiVets" speak. CreatiVets' mission "is to provide combat veterans

struggling with post-traumatic stress and traumatic brain injury with opportunities to use art, music, and creative writing to heal their unseen wounds of war. Our goal is to empower veterans with tools they can use for the rest of their lives and enable them to see their own capacity for success in an arena outside the battlefield."

They offer a song writing program in Nashville and a three week art program at either The School of Art Institute (SAIC) in Chicago or Virginia Commonwealth University (VCU) in Richmond Virginia where the veteran learns ceramics, painting and photography. "Using art and music as a form of stress and anxiety relief, the students create incredible artwork and songs the veterans tell beautiful stories out of tragic events."

There was one piece of artwork shown that will stay in my mind (and

heart) forever. In Afghanistan a soldier got hit and was gravely wounded. The ambulance was summoned but before it arrived the soldier died in his friend's arms. The dying soldier kept saying "I Love My Life". All of this happened in a pomegranate field. The soldier who has PTSD because of this tragic incident got invited to the CreatiVets program. He painted a canvas where he painted in red paint "I Love My Life" over and over as long as it took the ambulance to arrive to help his buddy on the battlefield. The last "I Love My Life", "Life" trails off as to indicate "the end". The surviving soldier had not been able to even look at a pomegranate until he placed one on the floor in front of his artwork.

If anyone wants to learn more about "CreatiVets" please go to their website www.creativets.org, and to see a photo of the "I Love My Life" artwork, google Creativets and find Creativets (@creativets) Instagram photos and videos. Scroll down quite a ways and the artwork is in the middle row.

Membership 2018 - 2019

With the new year well underway, we are more than half-way into the VFW's fiscal year. This year has been a great year with membership, with more recruits and higher retention levels, setting us farther ahead than this point last year. This is thanks to the great recruiting and retention efforts of our membership.

Our Department is currently sitting at over 95% in membership and we need less than 800 members to give our state the minimum percentage required for All-American status. Our state has 20 Posts at or above 100%, with 58 Posts needing 10 members or less to reach 100%+1. Only 2 Posts are below 80% and all 13 Districts are well above 90%. Since July 1st, the Department of Colorado Veterans of Foreign Wars has recruited and reinstated just shy of 400 members, with only 119 recruiters.

"Why I Honor the American Flag"

"To survive in peace and harmony, united and strong, we must have one people, one nation, one flag."

(Pauline Harrison)

As an eighth grader, I pledge my allegiance to our American flag every morning of the school week. Before second grade, I was just reciting words, but I can remember when that all changed. My teacher taught our class how the fifty white stars represent the states of our union, and the blue field the stars proudly march across depicts the vigilance, justice, and perseverance of America. The thirteen stripes, standing for the colonies, are red, for hardiness and valor, and white for purity and innocence. My perspective on the American flag was altered completely. As it valiantly stood guard over my school, I remember not only thinking of the symbols and colors it represented, but of its individual threads as people of my America, interwoven but independent. I began to think of why I honor the flag.

Through raging wars, deaths, and terrorist attacks, the flag has come to amaze me more than I ever expected it to. It constantly stands waving, declar-

Our Department Commander, Steve Kjonaas, has created a formula which has projected that the Department of Colorado Veterans of Foreign Wars will end its fiscal year with over 110% in membership. I propose that we exceed this prediction, but I need the help of our membership to achieve this. There are over 16,000 VFW members within the Department of Colorado VFW, but less than 0.75% of our members have recruited or reinstated a member. Our organization cannot continue to thrive without the efforts of our membership, so let's do this!

ing these hardships will not stop us from being proud Americans. The flag is a unifying factor between us all, young and old.

My great grandfather served in the war, and I am so grateful to him and all those who have defended my country. The flag he received was given to my family, and it has hung in our house for years. When I see that flag, I think of my great grandfather, along with other veterans, and what they have done for me, my family, and America. It's so amazing how that flag has brought me closer to them and my country. The flag is like glue, binding us together, regardless of small dividing factors that often cloud our vision. When I honor my flag, my prejudices leave me, because it unites us as Americans.

Every time I see a flag, I remember it represents our country as one, and as individuals. I remember we stand for our freedoms, and those who fought for them. The moments I see a flag are ones of pride, remembrance, and emotion. I try to focus not on the turbulent part of our country's journey, but that we worked together through those times and continued to smoothly pave our road, and for this, my flag will always wave.

VFW National Convention

Every year, thousands of VFW and Auxiliary delegates gather to represent the organization's total membership of nearly 1.6 million at the weeklong convention. While there, our mission is to approve new national priorities to guide our organization as we lobby Congress on issues important to the nation's veterans, service members and their families.

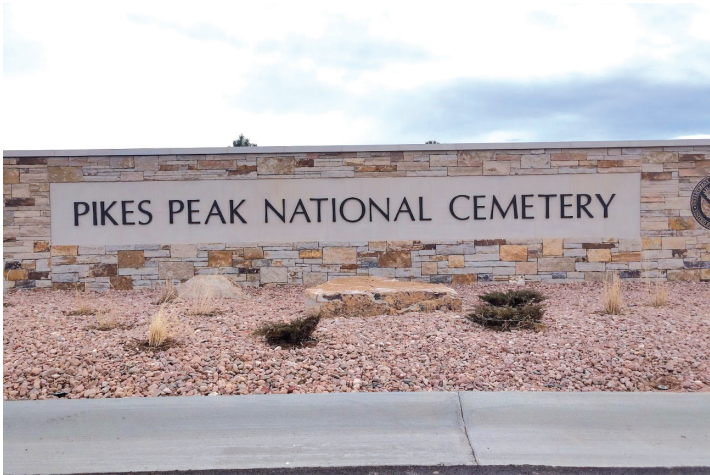

Convention delegates also elect new leadership, as well as recognize prominent individuals and organizations for their support of veterans and military personnel.

Save the date for the 120th VFW National Convention which will be held in Orlando, Fla., July 20-24, 2019.

120th National Convention Housing will officially open February 15, 2019. Housing reservation information will be located on the convention website accessed through National VFW website, including a tentative agenda.

Santa Claus dropped in for the Commerce City VFW Post 4444 and Auxiliary Christmas Party and the Auxiliary 4444 Elves were there to help him with the gifts. Then he was back on sled to another party. Busy man

District 10 President Brigitte Dolan attended Arvada VFW Post #4331 Christmas Party and sat on Santa's lap. Wonder what she told him she wanted for Christmas.

Minturn VFW Post 10721 hosted the annual Christmas Party at the Edwards Colorado Mt. College to a crowd of over 80 attendees. Taste 5 Catering provided dinner and "The Fabulous Femmes", had the party dancing, singing and parting to Christmas favorites.

Norma Timmerman has been a member of the VFW Auxiliary for 60 years. She is a member of Jake Uhrig VFW Auxiliary, Sterling, CO. Norma has served in all capacities of the Auxiliary, local and District #4 and was a Department Floor Officer for many years. VFW Post 10721 conducted a Veterans Day Ceremony with over 200 attendees from Eagle County at their Freedom Park Memorial. A special tribute was conducted thru the "Bells of Peace; A World War I Remembrance" which encouraged citizens and organizations across the nation to toll bells in their communities 21 times at 11:00 am local time on November 11th. Guest speaker was Doyle Cooper, U.S. Navy, Vietnam, lead Education Volunteer at the Center for American Values which honors Medal of Honor Recipients..

VFW CHRISTMAS FOR SOLDIERS

On 13 December 2018 a group of several volunteers spearheaded by Ron and Charlotte Lattin delivered Christmas presents, cards and food to 13 Gold Star families of soldiers and 28 children in need.

These volunteers were assisted in this holiday endeavor by VFW's - Pat Hannon, Dean K. Phillips, Chew-Commons-Slocum, Skyline Posts, & Auxiliaries #5061 & 2797, also Littleton Elks ladies, King Soopers and donation from several individuals. The families may not have had a Christmas or very limited Christmas if not for the generosity of this group. Ron Lattin and this special group of volunteers (about 25) have been helping soldiers for many years providing for children and parents, food for the holiday meal and even gift cards for those things they may need to round out their Christmas. This year they provided about 40 pounds of food for each family including a ham, a turkey, and other needed items. These families were totally overwhelmed by the generosity of VFW and its Auxiliary and the other groups that helped them during holiday season. The Elks ladies club helps to wrap all the gifts and made a generous donation. Fort Carson's own came in to greet these spouses and children helping to make the party extraordinary for all.

These families were totally overwhelmed by the generosity of this group and seeing the children realize that Santa was real in their lives brought the true meaning this season to everyone involved in this project. The project consisted of food, toys, bikes, clothing, and gift cards given to each child and a small gift for the Moms. The volunteers work about 456 hours to complete this project. The VFW should be very proud of what this group of volunteers has done to give these families a special Christmas to remember.

This year we used some of our funds for a special request to send packages to 12 soldiers in the 627 medical units Operation Inherent Resolve in Afghanistan. We shop for items that each soldier asked for, and also added individual care articles, games, throws, books, cards and other items. We mailed boxes in November to make sure they would have everything by Christmas.

We are sincerely blessed to have the support of our Posts, Auxiliaries & individuals that help make this program possible.

VFW/CABA/METRO STATE PILOTS CHRISTMAS AIR DROP 2018

December 9, 2018 came for this year's Veteran food and toy airlift to now 14 VFW posts in Colorado. After two days of staging food and organizing the food in the Signature Hangar at Centennial Airport, we were on the Ramp loading planes for their specific destinations. This year 34 aircraft (one helicopter) loaded and flew into airports for posts in; Burlington, Las Animas, Alamosa, Pueblo, Montrose, Delta, Durango, Greeley, Dove Creek, Fort Morgan, Cortez, Longmont, Lafayette and Loveland. Between donated and purchased food and toys we flew out 8,978#. This served 669 adults and 402 children totaling 1,071 as well as 43 homeless veterans at Fort Lyons.

There were, not including the CABA and METRO pilots and staff, 210 Veterans of Foreign Wars members and families helping with the project. These posts drove 5,680 total miles in support of the airlift.

Donations for the project came from the community to support the a whopping total of \$16,096.92 Our expenses were \$185.54 for were \$9,568.25 and we toiletries for the homeless

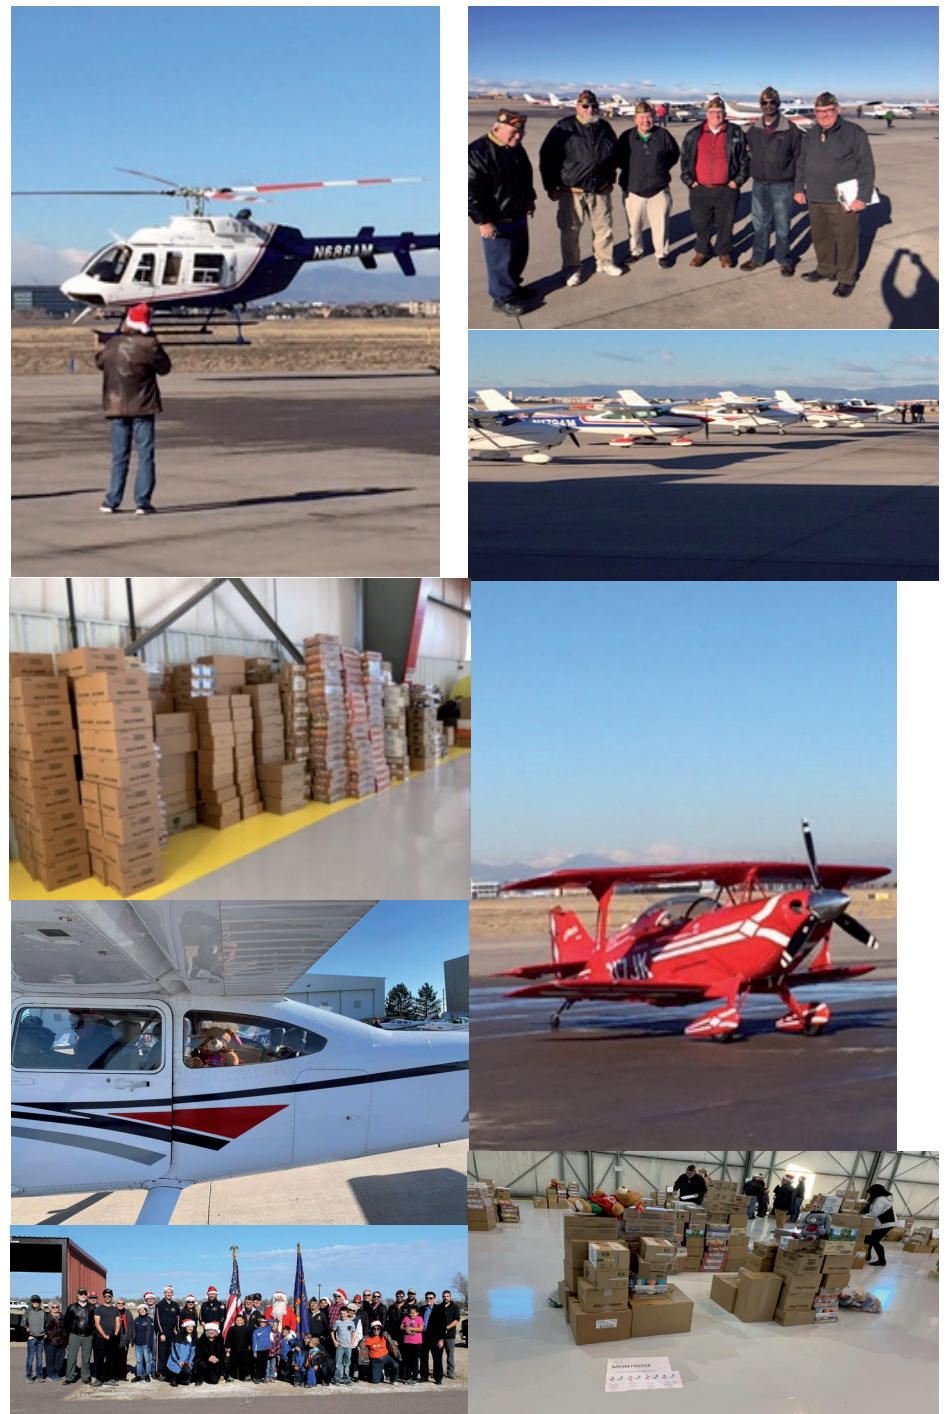

from many VFW and others in project. This year we received in donations for the airlift. tri-fold flyers. Food expenses purchased \$1,200 in toys and

Hearing back from the VFW posts, this the 8th year of this project, was very successful and the largest airlift to date.

This all comes from the individual donations from our caring veteran organization to help make Christmas a bit more happy for those in need each year. The many thank you and appreciation words from veterans receiving these goods makes this project very special.

If you would like to know more about the project and would like to be involved in the project as we plan our 9th year, Christmas 2019, contact Peter Buchanan, 303-981-1606 or peterbuchanan@comcast.net.

Department of Colorado

Ann Mauck, Auxiliary News Chairman

President's Column Shelley Schlieman

Welcome Brothers, Sisters and Comrades to 2019, with new beginnings and renewed commitment to our Veterans, Active Duty, their families and our Com-

munities. As I reflect on the 2018 year, I see what a wonderful organization we belong to. I see our Auxiliaries renewing annual members, recruiting new members, growing our organization and working the National Programs. I hope that we continue to invest our energies in these efforts and in making our Auxiliaries welcoming places where everyone is treated with respect and as valued members, working as volunteers to honor the memory of those who have passed or those present, who have served or serve our country with valor. We are fast approaching the year end reporting date of March 31st, so I hope you have all been reporting on the good works, miles driven, donations made, and hours spent in each of the programs. Our Department Chairmen are looking forward to seeing all that you have accomplished this year.

The National President's directive this year to all the Departments is to promote the Building on the VFW Auxiliary Foundation. It was put together with input from a Committee of members, from across the states, appointed by Sandi Kriebel, and contains such valuable information. Our own Department Treasurer, Cindy Anderson, was asked to help with information directed to Treasurers and Trustees. Our focus for the second half of the year will be on bringing this information to you at our District visits and the Foundation will be the workshops at our March COA. This is something that can't be accomplished in one year but something that will continue to guide us for some time.

If you haven't had the opportunity to look at this document, it is very easy to access. Go to the VFW Auxiliary National website and sign in under Mal-

ta. Click on Resources at the top of the page and then click on the Building on the VFW Auxiliary Foundation book. The book is broken into: Guidebook 1, Officers Duties; Guidebook 2, Programs and Reporting; Guidebook 3, Extension Membership Recruiting; Guidebook 4, National District Council Members; Guidebook 5 Financial Responsibilities (Treasurers and Trustee's). You can address any area of interest to you or, better yet, take the time to peruse all of it. We would welcome your comments or questions at the March COA. This is a valuable tool for newer members, those thinking about stepping into an Officer or Chairman position, or refresher for older members on what our Foundation is.

Thank you to all of you who worked so hard on our VOD/Patriots Pen program and attended our banquet in January to honor our students.

The National Mid-Year Conference is March 15 and 16th in Tucson and all members are encouraged to attend, information is on the National VFW Auxiliary website.

I hope that the New Year is going well for everyone!

The National VFW Auxiliary would like for all Auxiliaries in Colorado to launch a **Community Outreach Project** as part of the **Building on the VFW Auxiliary Foundation**. It is the educational part, where we educate our own members and the community on the WHO and WHY we are members of the VFW Auxiliary.

The goal is for members and commu-

nity outreach teams to speak to as many groups as possible during the month of March.

All the information you need to get started is in the VFW Auxiliary Community Outreach Tool Kit at vfwauxiliary.org/resources.

Our National President Sandi Kriebel will be visiting Colorado in April, please stay tuned for updates.

VFW Buddy Poppy - National Home for Children

Greetings Auxiliary Members,

It seems like we were just starting the 2018-2019 Program year, and it is already more than halfway over! Where has the time gone? Thank you all for supporting the Buddy Poppy and National Home Programs. Your continued support of these programs and our Veterans is truly appreciated.

The Buddy Poppy is such a recognizable flower of our organization. Every day is a great day to have a Buddy Poppy drive to replenish your Auxiliary Relief Fund. This allows your Auxiliary to help more Veterans and their families. I would like to encourage each Auxiliary to order Buddy Poppies if you haven't ordered any this year. Order forms are in the Program book and available on the Department website. The Department Convention is quickly approaching. This is an excellent time to start planning your Buddy Poppy display and hat. I look forward to seeing all the displays and hats this year at Department Convention. Please display the Buddy Poppy cans for collecting donations for this program.

The National Home has helped so many Veterans and their families throughout the years. The Military & Veteran Family Helpline number is **1-800-313-4200**. Any Veteran or fam-

ily member is encouraged to call the Helpline for any reason. The Helpline helps Veterans and their families find the right kind of assistance. The National Home has many different projects that could always use donations. Please remember to earmark the project your Auxiliary has decided to send a donation to. For those of you that could not attend the Council of Administration Parade of Programs in November, I challenged each Auxiliary to be creative and make something, or you can purchase something, that you can display to collect donations for the National Home.

Thank you for all the hard work and continued support you give to both programs. Please remember to report all that you and your Auxiliary has done. I also appreciate the endless hours of volunteering you all do, and the support given to our Veterans and their families by you and your Auxiliary. If you have any questions, feel free to contact me. Looking forward to seeing you at the Council of Administration weekend in March to be held in Greeley at Post 2121.

Hugs,
Patsy Gilmore

Welcome to 2019!!

It was great to see everyone who attended the Voice of Democracy Banquet at the end of January. Thank you again to Pioneer VFW Post 2121 for hosting and doing an outstanding job on the banquet. To everyone who helped set up the weekend and throughout the weekend with the students, thank you. But the biggest THANK YOU goes out to each VFW and Auxiliary who did an outstanding job this year with promoting and getting entries for Voice of Democracy and Patriot's Pen. This is the first year in a long time that there was a Voice of Democracy entry for every district in Colorado!!

If you all remember back at our first C.O.A, I challenged the District Auxiliary President's to get at least one entry from their district turned in to Department. I specifically said, make it hard for our Department Judges to select a winner and boy oh boy did you all deliver. All ten of our Department judges had a great first experience and said some of those speeches blew their minds. Good Job and pat yourselves on the back!

With the new year upon us, I hope that **all** the Auxiliaries have been promoting and working on the last two

scholarships we are offering this year: Continuing Education and the Young American Creative Patriotic Art Contest.

Remember all entries for the Continuing Education scholarship must be to National by February 15, 2019. Remember entries for Young American Creative Patriotic Art Contest can now be two-dimensional or three-dimensional art. Two-dimensional art can be watercolor, pencil, pastel, charcoal, tempera, crayon, acrylic, pen, ink, oil or marker. Three-dimensional art can be paper, papier-mâché, pottery, clay, meta work, fabric, etc. Just a reminder digital art, photography and jewelry are not accepted. All entries need to be to local Auxiliaries by March 31, 2019. All finalists from local level need to be given or sent to me by April 15, 2019. Of course, all the information for both these scholarships is on the National VFW Auxiliary Website: <https://vfw-wauxiliary.org/scholarships/>

If you have any questions, please do not hesitate to contact me. See you all in March 2019 at Council of Administration in the Greeley/Evans area! Hugs!

Veterans Pins / President's Project

WOW, it is February already. Time sure flies when we are having fun raising money for the Ralph Emerson Jack Gulden Memorial Blood Cancer Fund for our Colorado VFW Veterans and Auxiliary members. Have you had a FUN fundraiser in your Auxiliary? If not, better get going and get it done! At the Council Weekend in March, we will be drawing for the beautiful Patriotic Quilt and Pansy Oil Painting. If you will not be attending you can still have a chance to win. Complete the form, include your money and I will make sure your tickets are purchased. You can't win if you don't enter.

Veteran Pin sales have been great. We did a reorder so, pins are still available. Sorry to say, some Auxiliaries have not purchased. Members, you can

complete the form and order for yourself. The Veteran Pins will be mailed to you. To all Auxiliaries that have purchased Veteran Pins—THANK YOU! Some have gone above and beyond and to them we are especially grateful. Wear your Veteran Pin at the Parade of Programs, who knows something special may happen there.

If we "Join Hands, Support Veterans" because we "Believe.....We Can Do It" imagine how the grants provided to our Colorado VFW Veterans and Auxiliary Member will help to ease a little of the financial burden of cancer. Do your best to support the Ralph Emerson Jack Gulden Memorial Blood Cancer fund.

Chief of Staff / Extension / Mentoring

Has each Auxiliary President completed their Quarterly Report? How about nominating someone from your Auxiliary for the Mentor of the Year Award?

From the reports that Sr. Vice President Kathy Carlson is sending, I know that we have all been working hard on Membership. Congratulations!!!! Are we mentoring those continuous and new members? Please don't leave them where they do not understand the functions of the Auxiliary.

Even though we had bad weather at the Council meeting in November, several of the Deputy Chiefs of Staff got together along with Department President Shelley. This was a time to bring ideas and problems to the table so that we could discuss and get suggestions on how to help the Auxiliaries in each of our Districts. If you were unable to attend, I do understand – the roads were a sheet of ice. I hope that this open

discussion will continue and we can get together at the Council of Administration in March on the 23rd and 24th. Please let me know if you would like to meet.

I hope everyone has heard about the new "Community Outreach Project" and is planning on participating. What an awesome way to get the word out about our organization. Please contact Department Historian, Lennie Dolan for more details.

I look forward to seeing everyone at the upcoming Council of Administration. Be safe in your travels and if you need me, I'm only a phone call or email away.

Americanism

Greetings! I hope you all had wonderful holidays and are now getting adjusted to writing 2019 on everything. I want to give a big thank you to all the Auxiliaries that have reported something under Americanism. We are getting close to the end of our reporting year, so this is the perfect time to make plans for any of the Americanism goals you may not have had time to work on yet. If your Auxiliary has not reported, I will be reaching out to the president and Americanism chairman to see if I can help you in any way. Each Auxiliary should be reporting under each of the six goals from national.

As a reminder, those six goals for this year are – 1) Safety in America/Disaster Preparedness (I presented on making up a kit for this at the last Council of Administration meeting in November. Please contact me if you'd like information). 2) Flags across America (placing flags in prominent places on patriotic holidays). 3) Flag Education (now that

the bustle of the holidays is over, this is a great time to go out and get into the schools). 4) Promote Patriotism (there are so many patriotic days throughout the year to do this). 5) POW/MIA recognition (POW MIA day is in September, but that doesn't mean you can't still do a recognition ceremony) and 6) Smart/Maher Teacher of the Year Education Award (this deadline was in October).

I hope to see all of you in March when the Council of Administration meeting will be held in Greeley at Post 2121. Saturday March 23rd will be the Parade of Programs where I will present some further information on Flags Across America and do a general review of the other goals so we can make one last push at meeting our goals! The Council of Administration meeting will be held on March 24th.

The week of February 14 each year is your opportunity to say thank you to a special group of men and women, more than 98,000 Veterans who are cared for every day in Department of VA medical centers, outpatient clinics, domiciliaries, and nursing homes as well as other

medical facilities.

Hospital Program

Happy New Year 2019 ! Hope that everyone enjoyed the holidays and had the chance to relax and reflect about the incredibly busy and productive year that we just completed. The last quarter was filled with important activity for Hospital Department. With the help of President Shelley and the Hospital Team, we had the opportunity to visit the new Denver VA Regional Hospital and take Christmas gifts and food packages to residents on all 5 wings. Almost 900 Christmas cards were sent to veterans across the state due to your efforts. As you remember, your very generous response to the call for socks netted over 700 pairs of men's and women's socks. So far, approximately 550 of them have been divided and given to residents all across the state. Our new appeal is for hygiene and convenience items such as individual soaps, deodorant, shampoo, conditioner, new combs, toothpaste, new individual toothbrushes and mouthwash donations. The Hospital/CLC facilities could really use them.

We continue to make it a priority to attend hospital activity days throughout the state and this effort is going well. If your hospital or CLC has an upcoming event, please let us know so that we can make an effort to be there to help you celebrate. My deep appreciation goes out to all the Auxiliaries that took the time and effort to make sure that their volunteers received the volunteer pins and awards that they deserved for their incredible and dedicated service to our veterans. Please make every effort to tally, verify and submit the hours and contributions of your volunteers for this and previous years. Also, give some thought to submitting a candidate for Outstanding Hospital Volunteer—Due to me March 1, 2019. Please contact me early for applications.

Recruitment of new volunteers has been made a priority this year. Another Community Volunteer Recruitment Week is scheduled for April 7-13, 2019. So many new and amazing opportunities are available. A Hospital Volunteer Recruitment Kit is available from the National website at www.vfvauxiliary.org/resources. Veterans Voice Writing Project is a therapeutic way to help vets express themselves in a creative way. You can go to www.veteransvoices.org Check these out!

The National Disabled Veterans Winter Sports Clinic will take place March/April 2019 in Snowmass, CO. Consider helping with this worthy event. Every member should obtain and read the VFW Auxiliary Hospital Program Guide (includes the VAVS Participation Guide). It contains a wealth of information that you need to know about our program and the many ways that you can participate.

Military Suicide Awareness and Prevention continues to be a high priority for the Hospital Department and for the VFW and Auxiliary. A new program, Objective Zero, instantly and anonymously connects veterans, their families and caregivers, to suicide prevention resources and a support network. Investigate this app at www.objectivezero.org

You continue to make such a difference in helping to improve the lives of our veterans and their families--Thank you again for your incredible support and assistance over this past year! If I or any member of my team can assist you in any way to make the Hospital Department the best that it can be, please do not hesitate to contact me directly.

Department Fundraising

Dear Auxiliary Brothers and Sisters, The holidays are over and we hope that you all had a Merry Christmas and a Happy New Year! So, looking forward to the New Year Don't forget – Amber and I have issued a couple of challenges this year to the Auxiliaries and to the individual members:

Each Auxiliary put aside \$0.25 per day or \$7.75 per month or \$93.00 per year and send that to the Department of Colorado. If each Auxiliary participates, that would earn over \$5,500 for our Department.

Then we have asked EACH member (and Colorado has 6,330 members) to donate \$1.00 per month or \$12.00 for the year to the Department. That would earn our Department over \$75,960 if we ALL participate. Can you imagine what we could do for our Veterans with \$75,000!!! I know that I spend over \$12.00 on foolishness and I think I would like it to help a Veteran – what about you??? Currently several mem-

bers have paid their \$12 for the year! Let's see how many members pay and how much we can raise for our Department! You can send it to me or Amber or you can send it directly to Cindy Anderson, Department Treasurer. Just mark on your check what it is for.

At the last two COA's, we have had some fun baskets that we raffled off. Hope the winners enjoyed them! Look for a new basket at the next COA – who knows what goodies will be in it????

Remember that we have 2019 calendars, patriotic CD's, cook books, cards and those great crocheted dish cloths for sale. Look for us at our table at the next COA.

Looking forward to seeing all of you in Greeley!!!

Sincerely,
Queenie Barz
