COMMANDER'S CHALLENGE

Although many of our VFW Posts are unable to operate in the accustomed manner during the current COVID-19 pandemic, the VFW is not about to stop our mission to assist our nation's veterans, and for that we must focus on membership, namely recruiting and retaining members!

For the month of September 2020, the Post in each membership division that recruits, renews, and reinstates the most annual members will receive a \$500 stipend deposited into the Post account!

In addition, each Department with a winning Post will receive a matching \$500 to be deposited into the Department fund to be used as needed by the Department. If a Department has more than one winning Post, they can receive this award multiple times!

We know that a strong membership base is how we will move forward as an organization, guided by **20/20 VISION FOR VETERANS!**

Membership totals will be based on close-of-business totals on Aug. 31 to Sept. 30.

VFW Foundation

The VFW Foundation Board meeting on Thursday, Aug. 20 was held via Zoom because of COVID-19. This was the first Board meeting with National Commander Hal Roesch II presiding as Chairman of the Board.

Nearly 850 BURGER KING® franchisee-owned restaurants raised funds for the VFW's Unmet Needs program during the 2019-20 campaign (includes the November 2019 and July 2020 fundraising periods). Despite a reduction in participating BK restaurants due to the COVID-19 virus, total donations still came in at \$412,770. This brings the BK total to nearly \$6.5 million received since 2007.

Kevin Jamison of the VFW Foundation staff has been promoted to Deputy Director, VFW Foundation, effective Sept. 1, 2020.

50TH ANNIVERSARY VIETNAM WAR COMMEMORATION PROGRAM. The Commemorative Partner Program is designed for federal, state and local communities, veterans' organizations and other non-governmental organizations to assist a grateful nation in thanking and honoring our Vietnam veterans and their families. As a Commemorative Partner, VFW Posts are encouraged to participate in the Commemoration of the Vietnam War by planning and conducting events and activities that will recognize the Vietnam veterans and their families' service, valor, and sacrifice.

Events and activities should be dignified, memorable occasions that show a sensitivity and appreciation for the solemnity of war and the losses suffered by many. Commemorative Partners should communicate how their events will achieve the congressionally-mandated objectives of the program. Events or activities should meet one or more of the following objectives.

1. To thank and honor veterans of the Vietnam War, including personnel who were held as prisoners of war or listed as missing in action, for their service and sacrifice on behalf of the United States and to thank and honor the families of these veterans.
2. To highlight the service of the Armed Forces during the Vietnam War and the contributions of Federal agencies and governmental and non-governmental organizations that served with, or in support of, the Armed Forces.
3. To pay tribute to the contributions made on the home front by the people of the United States during the Vietnam War.
4. To highlight the advances in technology, science, and medicine related to military research conducted during the Vietnam War.
5. To recognize the contributions and sacrifices made by the allies of the United States during the Vietnam War.

For the VFW Posts interested in becoming an official Commemorative Partner, they must submit an application and a signed Statement of Understanding.

Applications are available at VietnamWar50th.com on the Commemorative Partner Program. The approval process is usually less than 30 days. Partners will be kept informed through electronic notifications. Once approved as a Partner, the Commemoration will provide organizations with a starter kit of materials for developing and implementing their programs. 2019-20 FRED C. HALL MEMORIAL OUTSTANDING POST SPECIAL PROJECT WINNER ANNOUNCED. SSG Jonathan Dozier Memorial Post 2894 in Chesapeake, Virginia, was selected to receive the prestigious VFW Fred C. Hall Memorial Outstanding Post Special Project Award, which recognizes VFW Posts for unique and outstanding community service projects.

VFW Post 2894 was selected for its home renovation project for Brandi Jones, a U.S. Navy veteran and single mother of two. After a traumatic home invasion forced her to move in 2011, Jones relocated only to discover her home would need more work than initially expected, but she didn't have the funds to address the growing list of concerns.

After a chance encounter during a VFW "Buddy"® Poppy drive, members of Post 2894 immediately set to work planning the renovation project. With support from several local businesses and associations, more than 150 volunteers rallied together to help ensure Jones and her sons had a safe place to call home. Valued at

nearly \$25,000, the renovation project included new exterior floodlights and an alarm system, a completely remodeled kitchen, new flooring, fresh ceiling paint, a new roof, new siding and gutters, and a backyard clean up with new fencing and landscaping.

"Buddy"® Poppy

"BUDDY"® POPPY CAMPAIGN. Although we emphasize Buddy Poppies on Veterans Day and Memorial Day, it is important to realize that the distribution of Buddy Poppies should be a year-round exercise. Each time a Post participates in an activity where the public will be present, Buddy Poppies should be present as a fundraising tool and simply to recognize our fallen comrades. Where the VFW appears, Buddy Poppies should be a constant reminder that we will never forget those who have perished in the name of liberty. Just as "They Gave, Will You?" is a year-round thing, so should the distribution of VFW Buddy Poppies.

Remember that your poppies should be ordered a minimum of 8 weeks in advance of your distribution date. Be sure to specify a date by which the poppies are required, do not use "ASAP." Miscellaneous items (coin cans, buttons, posters, etc.) should be ordered directly from the VFW Store at vfwstore.org/category/programs/buddypoppy or the VFW Store/Emblem and Supply Catalog.

The Manual of Procedure provides that Post relief funds may be used for programs such as Voice of Democracy, Patriot's Pen, Citizenship Education, and Community Service as long as suggestions in the chairmen guidebooks are used as an example of promoting these programs.

Posts are further reminded that Section 711 of the Manual of Procedure provides that nonprofit organizations, exempt from taxes under Section 501(a) of the Internal Revenue Code, may assist with the distribution of Buddy Poppies, provided there shall be no division of proceeds. A donation to these groups may be made from the Post general fund.

Contact information: BuddyPoppy@vfw.org or 816.756.3390, ext. 6722 for any questions or concerns.

VFW SILVER, GOLD AND DIAMOND ANNIVERSARY POPPIES. The silver, gold and diamond anniversary Buddy Poppies are for Posts that are currently in their 25th, 50th or 75th anniversary years. For Posts currently in their 100th year anniversary, they can order any color and as many as they need. The anniversary poppies are approximately three times as expensive for us to produce, but because of the small quantities we deal in, we don't pass those costs on to the Posts. Please limit your order of anniversary poppies to 1,000 to ensure stock does not run out, unless you are currently in your 100th year. These are ordered through the Department and processed the same as the red poppies. Annotate on the order to National that it is for anniversary poppies and specify which one.

VETERANS OF FOREIGN WARS JOINS "WORLD WAR I POPPY PROGRAM." The Veterans of Foreign Wars is joining the U.S. World War I Centennial Commission in announcing the WWI Poppy Program to raise awareness about World War I and generate funds for local VSO chapters all over the country.

The VFW is proud to share with you the WWI Poppy Program; an opportunity to generate resources for your Post while helping to honor the 4.7 million Americans who wore the uniform during WWI.

Poppies grew across the war-torn battlefields of Europe after World War I. From 2017 to 2019, the U.S. World War I Centennial Commission will tell the story of those American veterans, through events, exhibits, and memorial efforts, and the VFW is proud to be a partner in this important commemoration.

Click on the following link to learn about the WWI Poppy Program and how your purchase of a Poppy Kit helps build the new National World War I Memorial in Washington, D.C., while also helping to raise money for your Post.

Here is a quick video that can help people understand why it is so important that we honor those who served during World War I: [youtube.com/watch?v=1_y4149mZso](https://www.youtube.com/watch?v=1_y4149mZso).

The red poppy is an internationally recognized symbol of veteran remembrance. Its use began in World War I and was captured in the war poem "In Flanders Fields," by Lt. Col. John McCrae.

National Veterans Service

National Veterans Service to Host All 2020 Skill Level Training Virtually

NVS takes the safety and well-being of our service officers' seriously and, due to the continued spread of COVID-19, the decision has been made to cancel the in-person Intermediate Skill Level Training (ISLT) scheduled for Annapolis, Maryland in November. Like the May PTC and the September Advanced and Basic, Part 1 training sessions, NVS will move forward with a Virtual Intermediate Skill Level Training (vISLT)

conference, where all instruction will be delivered through video teleconferencing and the VFW Online Learning Platform for accredited representatives.

Information regarding dates, times, and topics of instruction for November will be released as it becomes available. Projected attendees will be notified to register for this conference at the appropriate time.

Virtual training already scheduled for the remainder of 2020 includes:

September 14-23: Virtual Advanced Skill Level Training for Accredited Representatives
(2pm-4pm Eastern each business day)

October 13-26: Virtual Basic, Part 1 Training for Accredited Representatives

National Legislative Service/Action Corps

2021 VFW-SVA Legislative Fellowship Application Opening Soon: The 2021 VFW-SVA Legislative Fellowship will be accepting applications soon! The program, which is in its seventh year, is for VFW-eligible individuals and members who attend an accredited institute of higher learning. Ten student veterans will be selected for the semester-long program that focuses on real policy issues faced by veterans, service members, and their families. The highlight of the program is participation in the VFW Legislative Conference, which in the past has included meetings at the White House and with senior officials from the Department of Veterans Affairs and Congress. Those selected also spend time with their VFW Department members on Capitol Hill pushing the VFW's legislative priorities. Alumni of the program have become more active in all levels of the VFW and have changed laws that improve care and benefits for veterans. [Learn more about the fellowship.](#)

Unprecedented Poll Worker Shortage: Healthy elections require poll workers, the majority of whom are over the age of 60. Due to the COVID-19 pandemic, election officials are reporting an unprecedented shortage. Without sufficient numbers of poll workers, it is possible that polling locations could have long lines, lack of staff to assist voters, and possible closures of polling locations. The VFW encourages any member, advocate, or supporter, who is healthy and willing, to consider becoming a poll worker for the general election in November. The [Stanford-MIT Healthy Election Project](#) has partnered with local organizations like Power the Polls, which help to follow up with applicants, confirm their commitment, and assist them in completing the process. If you sign up through this [special VFW link](#), you will be contacted by Power the Polls, a partner organization, or your local election administrators.

Administrative Operations

REQUESTING CEREMONIAL RIFLES, AMMUNITION & MILITARY EQUIPMENT - Department Adjutants and Quartermasters are asked to remind all Post officers to refer to the revised information located at vfw.org where they will need to log in to the "My VFW" page and select the "VFW Training and Support" link, then "Member & Officer Training, Forms and Templates" where you'll have access to "Training Guides & Standard Operating Procedures" and then click on "Ceremonial Rifles, Ammunition & Military Equipment" when requesting a "conditional" donation of any government military equipment, ceremonial rifles or ammunition.

Before contacting the governmental agency, a formal written request is to be addressed and mailed to the Adjutant General at VFW National Headquarters, and must be completed and signed by the current *Post Commander, Post Adjutant* or *Post Quartermaster*, one of whom needs to be the contact person.

Also to be included is that contact person's mailing address and phone number, not the Post address. Address the request to the Adjutant General, VFW National Headquarters, 406 West 34th Street, Kansas City, MO 64111.

Include the proper information as outlined in the "Ceremonial Rifles, Ammunition & Military Equipment" pages in the website. It is requested that a Post *not* go through their Department Headquarters (but send them a courtesy copy). This only slows down the processing and creates unnecessary paperwork for the Department personnel.

CAPS DURING CHAPLAIN PRAYERS – In accordance with the Ritual General Rule 13(b), "members will follow the action of the Chaplain or presiding officer relative to removal of caps during prayers; if uncovering, the hat shall be placed on the extended closed fingers of the right hand in such a way that the Cross of Malta is exposed and held over the heart."

5. Organizations exempt from income tax under Section 501(c) of the Internal Revenue Code are generally required to file Form 990 by the 15th day of the fifth month following the close of their accounting fiscal year. For the current IRS requirements (beginning on or after January 1), if the organization's annual gross receipts are normally more than \$50,000, the organization must file Form 990 or 990-EZ. Small tax-exempt organizations whose annual gross receipts are normally \$50,000 or less are required to electronically submit Form 990-N, also known as the e-Postcard. There is no penalty assessment for late filling the e-Postcard, but an organization that fails to file required information returns for three consecutive years will automatically lose its tax-exempt status. The revocation of the organization's tax exempt status will not take place until the filing due date of the third year.

Gross receipts are considered to be normally less than \$50,000 if the organization:

1. Has been in existence for 1 year or less and received, or donors have pledged to give, \$75,000 or less during its first taxable year;
2. Has been in existence between 1 and 3 years and averaged \$60,000 or less in gross receipts during each of its first two tax years; and
3. Is at least 3 years old and averaged \$50,000 or less in gross receipts for the immediately preceding 3 tax years (including the year for which the calculations are being made).

If annual gross receipts are normally more than \$50,000, the organization must file Form 990 or 990-EZ. For the current IRS requirements, if an organization has gross receipts less than \$200,000 and total assets less than \$500,000, it may file form 990-EZ. However, if either gross receipts or total assets are above those limits, Form 990 must be filed.

For purposes of filing requirements, gross receipts include: total contributions; gifts and grants; program service revenue; membership dues and assessments; gross investment income (including interest, dividends, gross rents, and other investment income); gross income from the sale of assets other than inventory; gross income from special fundraising events; gross sales net of return allowances; and any other revenue.

IRS regulations require that all tax-exempt organizations make both their Application for Exemption and 990's for the last three years available for public inspection at their principal office and provide copies in response to written requests, subject to the payment of reasonable fees. There are substantial penalties for violation of these regulations.

6. The National Bylaws provide for only one type of membership: active membership. There are no provisions in the National Bylaws, nor is there any authority or justification for issuance of Club Membership cards, Associate Member cards, Honorary Membership cards, Courtesy Membership cards or any other special type of cards. Any Post issuing such unauthorized cards, or conducting club operations open to the general public, endangers its standing with the Internal Revenue Service as a non-profit organization. Officers signing outlaw cards admitting non-members to VFW premises are subject to disciplinary action. National and Department officers cannot defend practices that conflict with VFW Bylaws or procedures.

7. VFW Posts should take the necessary steps to incorporate under the laws of the state in which the Post is located. Financial responsibility laws, as interpreted by the courts, may cause members of unincorporated Posts to be at risk. Incorporating under the provisions of Sections 708 of the National Bylaws and the Manual of Procedure and the laws of the state will provide protection for Post members. Posts are urged to contact their Department Adjutant to obtain the proper forms for incorporating. The Articles of Incorporation must be reviewed by the Commander-in-Chief prior to forwarding them to the proper state authorities. It shall be the responsibility of the Post Commander to ensure full compliance with both sections and to ensure that all state requirements for annual filing, fees, etc., are met in a timely manner.

8. The attention of Post Commanders, County Council and District Commanders and inspecting officers is directed to Section 703 of the National Bylaws - Bonds. Each accountable officer of this organization shall be bonded with an indemnity company as surety in a sum at least equal to the amount of the liquid assets for which he may be accountable. Liquid assets are defined as cash on hand or in the bank and other negotiable instruments readily convertible into cash.

9. All officers should obtain current 2021 copies of the podium edition of the Congressional Charter, Bylaws, Manual of Procedure and Ritual. Copies of the revised edition of the Congressional Charter, Bylaws, Manual of Procedure and Ritual are available through the VFW Store at National Headquarters. The 2021 revised edition reflects that in response to the deadly virus COVID-19, the 121st National Convention was held pro-forma where no amendments to the National Bylaws or Manual of Procedure were made.

10. All Commanders are reminded that Section 709, Manual of Procedure - Control of Units, requires that any activity, clubroom, holding company or unit sponsored, conducted or operated by, for or in behalf of a Post, County Council, District or Department shall be at all times under the direct control of such Post, County Council, District or Department and that all money, property or assets of any kind or nature, must be placed in the care and custody of the respective Quartermaster. All Commanders should ensure that all provisions of Section 709 are enforced.

11. The attention of Department, District, County Council and Post Commanders is directed to Section 103, Manual of Procedure, which prescribes the manner in which applications for

membership will be handled. Applications for membership of new, reinstating or transfer members must be voted on by the members present and voting at a regular Post meeting. No Post, County Council, District, Department or National officer, or any other member, has authority to reject the application card of a person who is eligible for membership.

12. The attention of all units is called to Section 1101 of the National Bylaws and the Manual of Procedure, which provides for the formation and jurisdiction of the Auxiliary. This section provides that each unit of the Auxiliary shall be under the jurisdiction of the corresponding unit of the Veterans of Foreign Wars, but shall be permitted to function in accordance with the National Ritual, Bylaws and Rules and Regulations of the Auxiliary. In addition to provisions of Auxiliary Bylaws, solicitation of funds or donations by Auxiliary units, including contracts with fund-raising organizations for greeting cards, calendars and/or label programs shall be subject to approval and ratification by the governing body of the corresponding unit of the Veterans of Foreign Wars.

13. Sections 219 and 704 of the Manual of Procedure outline the various things for which the Post Relief Fund can be used. Several years ago, the phrase, "To foster true patriotism through historical and educational programs," was added to this section. This allows the Post to use the relief funds for the Voice of Democracy program or other Americanism programs that are educational. This does not include Post building projects, hall remodeling, color guard uniforms or any other expenditure that does not follow these guidelines.

14. On August 24, 2019, the National Council of Administration passed a motion extending the authorization of the wear of the VFW logo to those who are not members of the VFW for the limited purpose of demonstrating public support of the VFW. This authorization is only applicable to the VFW logo reflected below:

This authorization does not include the Cross of Malta or any other trademark and service mark of the VFW, including its name, emblems, or insignia. The use of other trademarks and service marks, including the Cross of Malta, is still limited to VFW members in good standing unless such written consent has been obtained pursuant to Section 803 of the National Bylaws.

Only the VFW Store, its Licensed Vendors and those properly authorized pursuant to the National Bylaws may manufacture or sell merchandise bearing the VFW logo. Additionally, no person shall wear the VFW logo while engaged in any commercial or political activity in such a manner as likely to falsely convey that such activity is approved or endorsed by the Veterans of Foreign Wars of the United States.

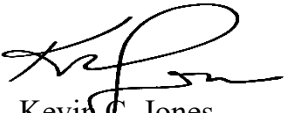

Non-members desiring to wear the VFW logo should not knowingly harm, misuse or bring into disrepute the name or logos of the VFW. Authorization for non-members to wear the VFW logo is subject to revocation by the Veterans of Foreign Wars of the United States.

15. Certificates of charter evidencing consolidation have been issued to the following Posts:
